

Toys, Toys, Toys

The support for this year's Toys for Tots drive was overwhelming. Precision Airmotive brought a huge box of toys and the EVCC Aviation School also collected a barrel full. Fliteline Services customers and staff, and the attendees at the Airport Holiday Open House also contributed whole heartedly putting the toy donation pile higher than it has ever been. Thanks to Donald Ehr for his cash donation.

Thank you one and All!!!

Winter Weather Reminders

- This is a reminder for those with airplane tie downs. Please ensure that you keep airplane tiedowns properly secured.
- During times of snow, the Airport has limited amounts of personnel and equipment. Our first priority is to keep 16R-34L and taxiway Alpha open. It's not always possible to plow in front of a tenant's hangar. The Airport is not responsible for plowing leased areas, but we will continue to plow when possible.

Coming Events

- | | |
|--------|--|
| Jan 11 | WPA Meeting
7:45 p.m.
Sno-Isle Skill Center
Program—Airport Issues |
| Jan 12 | Safety Seminar

| Jan 21 | Martin Luther King Jr. Holiday
Airport Office Closed |
| Feb 18 | President's Day Holiday
Airport Office Closed |
| May 17 | General Aviation Day |

WPA Awards

Pilot of the Year - Jim & Marilyn Fries

Jim and Marilyn took on the daunting task of organizing this year's General Aviation Day, and were able to put together a memorable event that showcased General Aviation to the local community.

Sponsor of the Year Northwest Aviation Center

When the Paine Field Chapter of WPA needs a space to hold the annual hangar party or a movie night, supplies for Aviation Academy and other events, or pilots and planes to fly educators in the Science of Flight for Teachers program, Dave Wheeler and the staff at Northwest Aviation Center are always there to help.

Spark Plug of the Year - Dick Kinnier

Dick's tireless efforts to increase the chapter's membership, and his continued support of Young Eagles and Aviation Academy events, have earned him this year's Spark Plug Award.

Dave was also the recipient of the Everett Chamber of Commerce
Dick Steven's Community Caring Award

President's Award - Dave Waggoner and Paine Field Staff

The chapter feels it is fortunate to have the full support of Snohomish County Airport Director Dave Waggoner and the entire Airport staff. Their years of help - from the office staff, Operations, and Fire Department - allow them to run programs like General Aviation Day, Aviation Academy, and Science of Flight for Teachers. These programs help to promote General Aviation to the community. The WPA's success as one of the largest chapters in the organization can be attributed to, in part, this close working relationship with the Paine Field staff.
