PAINFIELD

Snohomish County Airport

February 2008

Airside Exercise Drills

The Fire Department holds quarterly Airside Exercise drills around the Airport, with nearby mutual aid departments, to familiarize nearby jurisdictions with different access points onto the Airport and increase joint training, networking and collaboration. There will be another Airside Exercise drill in February.

30 Year Award

Fire Capt Dennis Hill, here with wife Ellie, received a 30 year plaque for his service with the Snohomish County Fire Department. He received an additional award from the Fire Department for his leadership role in providing enhanced safety to Airport Firefighters and for streamlined record keeping along with his many other duties.

Congratulations to Dennis!

**25 Year
Award**

Fire Capt Bill Rueter, above with wife Sherry, received a 25 year plaque for his service with the Snohomish County Fire Department. He has been the training officer for a good part of his career.

Congratulations to Bill!

Welcome to our new folks at Paine Field!

Maintenance Tech I

Brad Widrig grew up in Cle Elum and then joined the US Marine Corps Reserves. While attending Central Washington University, Brad was called to active duty and sent to Iraq. Brad has two degrees, one in Anthropology and one in History and after graduating, he worked for the State Parks Department. Brad is single and lives in Marysville. Brad enjoys contact sports and keeping fit. **Welcome Brad!**

Maintenance Tech I

Mike Clever received his construction and leadership education while serving over 22 years in the Army. Mike was a Construction Engineer Operations Manager while stationed in Korea for over a year. Mike enjoys hunting and fishing in his spare time. He and his wife, Yong, have been married for 17 years and are now residing back in his hometown of Marysville. **Welcome Mike!**

Future of Flight

Aviation Center & Boeing Tour Book Signing Event

Authors Flint Whitlock and Terry L. Barnhart will present a program and book signing from 3 - 5 p.m. on Friday, February 8, 2008 at the Future of Flight Aviation Center, located at 8415 Paine Field Blvd., Mukilteo, Washington. The program is about how barnstorming aviator and mail pilot Elrey B. Jeppesen made the skies safer for everyone. Admission to the program is free with purchase of a \$4 reduced rate, aviation center gallery-only ticket.
