General Aviation Day

If you did not make it to this year's event you missed a good time! Highlights included: Flights by the Flying Heritage Collection's Spitfire, P-47 and Storch; the fly-overs by the Cascade Warbirds and the Blackjacks (beautiful formation) many, many wonderful antique airplane displays; and a showcase of Triumph sports cars as well as all the other displays of aircraft and the Taste of Mukilteo. The EAA Young Eagles flew 150 youngsters. The Fire Department brought in almost \$2,700 from their pancake breakfast. This broke the previous record by about \$1,000. They served over 480 people. This is their fifth year and every year it gets better and better. The profits go to the Northwest Burn Center.

Many thanks go out to ALL the volunteers and Airport Staff that made this year's event such a success! Special thanks go to Jim and Marilyn Fries for being the co-chairs for the event!

Kids of all ages enjoyed the wonderful displays of all kinds of aircraft.

**Congratulations to
Captain Dennis Hill

**New WPA State President
John Dobson**

When asked why he wanted to be president of the State WPA, John said:

- I am passionate about aviation!
- I am committed to reducing the volunteer workload within the Chapters!
- I am committed to the State WPA becoming a political force.
- And I have a plan!

"I would add that every one of our members should understand that it is the "social fabric" that binds the WPA together. To grow the WPA it is the responsibility of the State Organization to provide every chapter, large or small, with the tools, expertise and if need be manual labor to enhance that social fabric. GA Day is an excellent example . . . thanks for letting me help." **Congratulations John!!**
