

Happy Holidays!!

Future of Flight.
FOUNDATION

You are invited to the
**Paine Field and Future of Flight
Holiday Open House**

Wednesday, December 14, 4 pm - 7 pm

At the Future of Flight

8415 Paine Field Blvd.

Donations of Toys and Non-Perishable Food are welcome

**2011 Holiday Airport Food Drive
Week-end Food Back-Pack Program**

The Airport is collecting non-perishable foods to assist Hawthorne Elementary School, an Everett pre-K-5th grade school, in their Weekend Backpack Program. Many of these young students go without meals on the week-end and the school assists students by providing single-serving food with easy tear open, pop top packaging, or microwavable food, such as juice boxes, granola bars, small box cereals, Easy Mac, trail mix, peanut butter, crackers, single oatmeal, and tuna. Please bring any food donations to Airport Admin, Fire and Maintenance. Please contact Susan Kern at 425-388-5103 if you have questions.

Also, The WPA and the Airport are collecting toys for **Christmas House** which may be dropped off at the Airport.

The Airport Office will be closed December 26 and January 2.

We are pleased to welcome Jennifer Eckman, A.A.E. as Airport Administrative Assistant. Jennifer comes to us with a wide breadth of experience, most recently as Deputy Airport Director for Finance and Administration for Rapid City Regional Airport and Airport Manager for the Jamestown Regional Airport Authority.

Jennifer's husband, Adam works for Boeing on the 787-9 and they have a 1-year old son, Jeffrey.

The Airport welcomes Jennifer!

Paine Field's **Future of Flight Aviation Center & Boeing Tour** will close at 1:30 p.m. on Christmas Eve (Dec 24th). It will be closed on Christmas and New Year's Day. However, it might be the perfect fit for your holiday plans on any one of the other days. Take your out of town guests to tour this great commercial jet assembly plant in the world's largest building. The Center's Gallery has interactive exhibits and displays where you can digitally design your own airplane. As you visit the other interactive stations in the gallery, you will learn about the principal features of powered flight. For more information visit: www.futureofflight.org.

Flying Heritage Collection

Flying Heritage Collection will be open Tuesday -Sunday, 10 am –5 pm (closed Christmas Day).

Impress your out of town guests with FHC's amazing collection of WWII aircraft, restored to the highest level of authenticity.

Check out the FHC's gift shop for a wide variety of unique gift for the warbird enthusiast.
